

# National EMS Education Standards Revision Project Update

- National EMS stakeholders and writing team had their final meeting to discuss draft 3.0 on Thursday, January, 28, 2020.
- RedFlash Group (contractor) and National Association of EMS Educators (subcontractor) are working with the writing team to finish the final draft for submission to the NHTSA Office of EMS and the HRSA Maternal Child and Health Bureau's EMSC Program by late Spring 2021.
- NHTSA will release the final 2021 National EMS Education Standards by late 2021.
